

“PREPARE YE THE WAY OF THE LORD!”

24/7

Worship & Watchmen First Fruits Mission To Israel

OCTOBER 2018

A Personal Note

“The Holy Spirit has stirred us towards this mission outreach to reach out to the local church; to worshippers and intercessors and to 24/7 prayer and worship leaders; to impart and release a download of the greater significance of us first fruiting our praise and worship into the land. To help strengthen the Spirit’s call on the front lines for His end-time church.

In turn, we believe as we focus on helping to strengthen our brothers and sisters in Israel, as well as the spiritual climate there that the Lord will release a greater power back on the nations where we live; that in deed these two focuses actually go hand in hand. This is in line with the Gospel’s spiritual positioning, to the Jew first and then to the nations, which is the heart of The One New Man.

This trip to Israel is not a tour, but rather a Worship and Watchmen mission to blow this shofar and sound the alarm. Would you please pray and seek The Lord concerning this mission?”

“I HAVE POSTED WATCHMEN ON YOUR WALLS, JERUSALEM; THEY WILL NEVER BE SILENT DAY OR NIGHT. YOU WHO CALL ON THE LORD, GIVE YOURSELVES NO REST, AND GIVE HIM NO REST TILL HE ESTABLISHES JERUSALEM AND MAKES HER THE PRAISE OF THE EARTH.”

The Father's Heart for Israel and the Church in the Last Days

Purpose

In these last days, God is calling His Church in the nations to first fruit back to Israel. Not only towards the remnant of Israel (it's believing body of believers), but also into the land.

There is a prophetic picture in scripture that can help us to understand this process. Where Moses and Israel were fighting the Amalekites and his arms grew weary. When his hands were raised, Israel prevailed, but when his hands lowered the enemy prevailed. So Aaron and Hur help to support his arms to keep his hands raised and in this way Israel was victorious (Exodus 17:10-13). This is a picture of the end-time church reconnecting with Israel's Remnant; to help lift their arms to support and strengthen them in the front lines of the battle in the land of Israel for the Kingdom of God upon the earth and for His holy church.

If you were the devil, and you knew that God was going to set His kingdom up on the earth in the land of Israel, where would you put your greatest opposition? Nothing could be truer, with the spirit of religion over Jerusalem and the spirits of the world over Tel Aviv, with the intensity of their strongholds throughout the land of Israel.

In this light, the Body of Mashiach/Christ in Israel (Jews and Gentiles), is in great need of our help and support. To release a greater praise and worship from His children from the nations into the land to help clear the spiritual skies; to connect with the existing 24/7 prayer and worship houses already in Israel. This is a vital connection for His end-time church; and for the 24/7 Worship and Watchmen focus arising in the earth to fully recognize this call to send in re-enforcements, as missions into the land.

Mission

The mission will start in the North in the Galilee and will work its way South, through Carmel, Haifa, Tel Aviv and Jerusalem; and it will end in Beer-Sheva and the Dead Sea. Each morning we will connect with a different 24/7 Praise and Worship house in the land. We will worship with them; they will share their vision and hearts with us; and we will pray and bless each other. Each afternoon we will travel to significant intercessory sites along the way for Spirit led prayer.

If you have never been to Israel, there will be time in Jerusalem to see the city and certain relevant sites. Although it is important to point out that this is not an historical tour; and that if you are wanting this more, this is most probably not the right trip to Israel for you. However, we will boat on the Galilee, be baptized in the Jordan and

float on the Dead Sea, as part of the mission's trip.

Cost

The total cost of the mission will be \$2750 per person for 20 + group and \$2350 per person for 30 + group, plus airfare and insurance.

Mission Approach

We also think it is important for our local Churches to get involved to support you in this vital Praise and Prayer mission to Israel; to help raise the financial support; and to become a part of the first fruits offering by sending you as it's representative. And we would encourage you to reach out accordingly (Support letters and emails can be provided).

God has also put on our hearts to ask all of our churches

and local ministries that are involved with this mission to raise additional offerings for "The Jerusalem Church," as Paul did in the first century, as The Holy Spirit would lead them (Romans 15:25, 26). In this case of the individual 24/7 ministries that we will visit in the land; that we would also be able to bless them abundantly when we are with them. 100% of these offerings will be given to these 24/7 houses and divided equally between them.
