Appointment of new Director of Shoresh Study Tours

CMJ Israel is delighted to announce the appointment of Scott Morgan as the new Director of Shoresh Study Tours.

Scott comes to us from the International Christian Embassy in Jerusalem where he served as Events Registration Director. We are blessed to benefit from his considerable experience of working with travel agents and group leaders to bring pilgrims from around the world to Jerusalem for various events, including the annual Feast of Tabernacles and Envision Conferences. Scott has a heart for Israel, a passion for the Gospel, and a deep desire to build up believers in their faith.

Scott will begin at Shoresh on 15 July 2018. He will be joining other members of the CMJ Israel management team at the CMJ UK Conference at High Leigh from July 6th to 8th. Please take the opportunity to meet him there if you are at the conference.
